SANTEE SCHOOL DISTRICT

BID #2024-075-001, ELECTRIC VEHICLE SUPPLY EQUIPMENT (EVSE) INFRASTRUCTURE PROJECT SANTEE SCHOOL DISTRICT TRANSPORTION YARD

DATE: January 24, 2024

General - All project documents including contract documents, drawings, and specifications, shall remain unchanged with the exception of those elements added, revised, deleted, or clarified by this addendum.

Acknowledge receipt of Addendum Number One in the appropriate place provided on the Bid Form

Item No. 1 Addendum One	Do Proposers need to be pre-qualified to be eligible to submit a Bid Package?
A) Proposers need to be pre-qualified to be eligible to submit a Bid Package for this Project. The pre-qualification form is specific to the Electrical Vehicle Supply Equipment Infrastructure Project and is available on the District's Purchasing Website under Vendor Registration / Contractor Pre-Qualification Information. The specific form is available for download at the link entitled, "PREQUAL PACKAGE - ELECTRIC VEHICLE INFRASTRUCTURE".	

Item No. 2 Addendum One	Can the District clarify which documents need to be filled out upon submission?
A) Items marked with an asterisk in the Bid Package's Table of Contents (Page 3) will need to be completed and submitted to the District.	

Item No. 3 Addendum One	Will a list of pre-qualified vendors be made publicly available?
A) The list of pre-qualified vendors will be posted on the District's website at least 5 days prior to Bid Opening.	

Item No. 4 Addendum One	The Carl Moyer grant lists funding for Level 2 chargers. Can the District clarify the discrepancy between the grant award and the Design Drawings?
A) Proposers should use the Design Drawings to develop bid submissions. The District plans to install Level 3 chargers and has approval from the Carl Moyer grant administrators.	

Item No. 5 Addendum One	Does the cost estimate in the Bid Package include the awarded Carl Moyer grant?
A) Proposers should not take into account any grant awards or other funding sources when developing their bid submissions.	

Item No. 6 Addendum One	Will the District proceed with the Project if the total Project cost exceeds the Carl Moyer grant award listed in the Bid Package?
A) The District plans to proceed with the Project.	

Item No. 7 Addendum One	What are the District’s expectations for ongoing maintenance and support?
A) Proposers should include a one-year full wrap-up warranty in bid submissions as noted in the Specifications section of the Bid Package. All other ongoing charging station maintenance and support will be contracted directly with the electric vehicle charging station manufacture.	

Item No. 8 Addendum One	Is the District interested in having the installer set up the program for Low Carbon Fuel Standards (LCFS) credits?
A) No.
