**4. Master Plan Review with Professional Development for English Learner Support**

Additional language was added to the professional development section of the Master Plan directing the application of English Learner development to all staff training.

**5. CELDT Official Scores Review**

CELDT official scores have been sent home. Bonner explained that the Educational Data Systems website [www.cde.ca.gov/ta/tg/el](http://www.cde.ca.gov/ta/tg/el) is posted in the Parent Resources portion of the Santee School District website. Sample CELDT reports and descriptions can be found in translated versions. Scores and levels for the four domains and the overall score are displayed on the report. Performance descriptors explain what the levels represent.

**6. Reclassification Criteria**

Due to so many changes in criteria for Reclassification, it was decided that a chart be created to illustrate reclassification standards. Evaluation beginning in the fourth grade, will consider a student's CELDT results, CAASPP results, the district reading assessments, and the District Benchmark English Language Arts Performance Task. Report cards will be examined as well as teacher input. Finally, parents will be notified and involved in reclassification process. Screening will begin in March for potential reclassification candidates.
