Hi,

My name is Ms. Gouin!

I will be your 7th-grade Language Arts and History teacher!

About Me

I grew up in Denver, Colorado. My parents took me on vacations to San Diego growing up which is what made me want to go to school here in San Diego. I graduated from California State University San Marcos in May 2022. Since I graduated, I have done some teaching in grades TK-5th. As for a little bit about my family, I have an older sister and a dog named Samson. My sister Krista is a nurse in Anchorage, Alaska. My mom is a retired teacher. For the majority of my life, she taught 7th-grade language arts. I love being outdoors: hiking, biking, snowboarding, and going to the beach.
